

TOP 10

Reasons to Visit the Hypertherm Associate Wellness Center (HAWC)

1.

It's good for you! With 50 to 70 percent of all disease being preventable, getting regular primary care, urgent care (as needed), and lifestyle coaching can make a difference.

2.

It's conveniently located at work.

3.

It allows you to get the care you need and minimize the time away from work.

4.

It's good for your wallet because it's free.

5.

As owners, you should know it's good for Hypertherm's wallet too, allowing the company to both save money and offer health benefits at an affordable cost.

6.

It results in fewer workers' compensation and disability claims and costs.

7.

It's available to your covered dependents over age 16 for primary care services.

8.

It's uniquely personal; highly qualified medical professionals take the time to get to know you.

9.

It's confidential. HAWC staff are held to the same HIPAA standards as all healthcare providers.

10.

Its service offerings are robust; there's something for everyone.

"I really wasn't seeing my primary care physician much, so it made sense to switch to get my primary care on-site. It's an efficient, easy way to put everything together."

*Bart Holbrook,
Engineering Technician*

"Wellness visits, health screenings and follow-ups are all easy to do and I no longer have to take a half a day off to go to the doctor."

*Frank Austin,
Team Leader*

"Seeing [the staff] walking around the building is a good reminder that they're here to keep us healthy. [They] make it easy to take control of your health."

*Jesse Tyler,
Learning Specialist*
